

PARTNERSHIP

- **Description:** Under Dr. Bernier's personal guidance ("coaching"), a customized college plan will be designed for the family, which will incorporate all or some of the Six Steps of College Planning, depending on the family's needs. Partnerships usually last until the student and parents have made a successful transition from high school to **the best fit** college.
- **Goal:** To guide ("coach") the family in developing and implementing a successful college plan,
- **Topics:** Implementing the Six Steps of College Planning.
High school preparation, finding **the best fit** college, searching for scholarships, financial aid, and designing a college plan.
Deadlines and specific strategies
