

COLLEGE PLANNING 101 WORKSHOPS FOR PARENTS

The goal of each workshop is to empower each family to confidently find, be admitted to, and afford one or more “good fit” colleges. Topics include: high school preparation, designing a plan for college, recognizing leverage, finding a “good fit” college(s), financial aid, scholarship searches, and adjusting to college. The workshop presenter, Frank Bernier, Ph.D., is a local college planning advisor with over 30 years experience as a college director of admissions and financial aid, and as a high school college planning advisor. Workshop materials will be provided by each host, but are also available at www.lcchs.org/cp_index.html
