

PRIVATE CONSULTATION

- **Description:** A one to two hour private meeting with Dr. Bernier customized to a family's college planning needs. Families often choose this option after attending a College Planning 101 workshop.
- **Goal:** To help the family understand colleges' expectations and practices, and to identify specific college planning strategies the family can act upon with confidence.
- **Topics:** Summary of the Six Steps of College Planning
High school preparation, finding **a better fit** college, searching for scholarships, financial aid, and designing a college plan
Deadlines and specific strategies
- **Material:** "College Planning 101 – A Complete Planning Guide for Parents and Students".
- **Fee:** \$100. To schedule an appointment, please contact Dr. Bernier.
